Class 1: Importance of Relationships

How do our relationships with children influence the connection between their social-emotional development and challenging behaviors? Explore ways to support positive behavior and build relationships.

Class 2: Environment, Routines & Strategies

Explore the impact of environmental elements on children's development and behaviors; discuss strategies to support children's positive social behaviors in groups settings.

Class 3: Social Emotional Teaching Strategies

Discuss ways to be intentional about teaching social-emotional skills and identify strategies for supporting friendship skills; learn about activities that build children's feeling vocabulary.

Class 4: Supporting Children's Success

How does your reaction to challenging behaviors support the child in learning problem solving skills and the ability to handle anger and disappointment? Learn how to support preschool children in acquiring these social-emotional skills in your child care setting.
